

Girl Scout Badge Earned At Home

If you have earned a badge at home, you must complete this form and return it to your Troop Leader. Once you have completed all the requirements and turned in the form, the Troop Leader will purchase the badge for you to be presented at the next Court of Awards.

Each badge has five requirements to earn it. You have options, though. Normally badges will give you three choices and you select one choice from each of the 5 requirements to earn a badge. Complete this form and fill in the choices you selected for each requirement.

Badge Name: _____

Date Started: _____

Date Completed: _____

Requirement #1 Selected: _____

What did you do to complete this requirement?

Requirement #2 Selected: _____

What did you do to complete this requirement?

Requirement #3 Selected: _____

What did you do to complete this requirement?

Requirement #4 Selected: _____

What did you do to complete this requirement?

Requirement #5 Selected: _____

What did you do to complete this requirement?

Please understand that if you have completed a badge at home, that doesn't mean we won't earn it as a troop. It's a good idea to check with your Troop Leader about the plan for the year. Either way, you are encouraged to earn badges at home. If we earn the badge again as a troop, you won't receive another badge and are requested to remain positive and serve as a mentor to the other girls. Share your ideas and experiences.
